Ultrafast Fibre Broadband to Much Marcle

AND SURROUNDING AREA!

- ✓ Are you bored of buffering?
- ✓ Sick of not having a clue about the latest show everyone at work is watching?
- ✓ Want to be able to video chat with friends and family without a static image?
- ✓ Fed up of being told you can't get a fast broadband connection or that "they are coming soon"?
- ✓ Do you just want a faster and more reliable broadband connection?

AIRBAND CAN HELP... NOW!

WHO IS AIRBAND?

We are **providers of ultrafast broadband in areas others can't or won't supply.**

With over 10 years' experience, trusted and funded by government and councils across the UK and with 24/7, 365 days a year customer service availability, you can rest assured, Airband will get you connected!

FIBRE IS COMING!

Airband will be building a FTTP (Fibre To The Premise) network in Much Marcle - **bringing speeds of up to 250Mbps* straight to your home.**

WHAT NOW?

Installation will be free for most premises, as we can secure Government funding on your behalf – the more people that sign up, the quicker Airband can install, so let your friends know!

BUT I'M ALREADY IN A CONTRACT?

Not to fear, switching is easy! Ofcom's code of practice is clear: "**Broadband firms must give you a minimum guaranteed speed before you buy a service. If your speed then drops below the promised level, the firm will have one month to improve performance, before allowing you to walk away without being penalised.**" Give Airband a call today and one of our lovely sales advisors can help guide you through the process.

STILL NOT SURE?

Pay nothing until you're installed, take comfort in the fact that **all our prices are fixed** for the duration of the contract, and every Airband customer has a **30-day cooling off period** as standard.

ORDER WITH OFFER CODE **MARCLE-20** AT:
